No. 486—A very beautiful cottage type duplex. The exterior construction is of painted brick. The plans show five rooms, bath and closets all on one floor on one side and three rooms, bath and closets on the first floor and one large room and bath on the second floor, on the other side.

Complete plans as shown or reversed, specifications, lumber and mill list \$20.00

Duplicate sets with original order . . . Per set, 5.00

Secure complete plans from your dealer or
L. F. Garlinghouse Company, Topeka, Kansas.

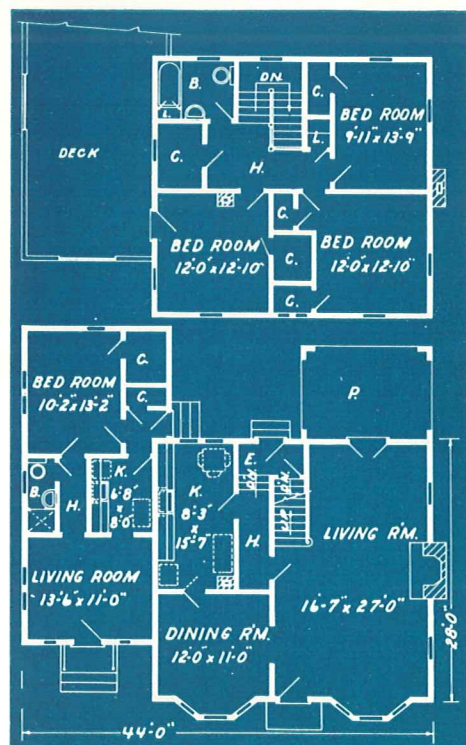

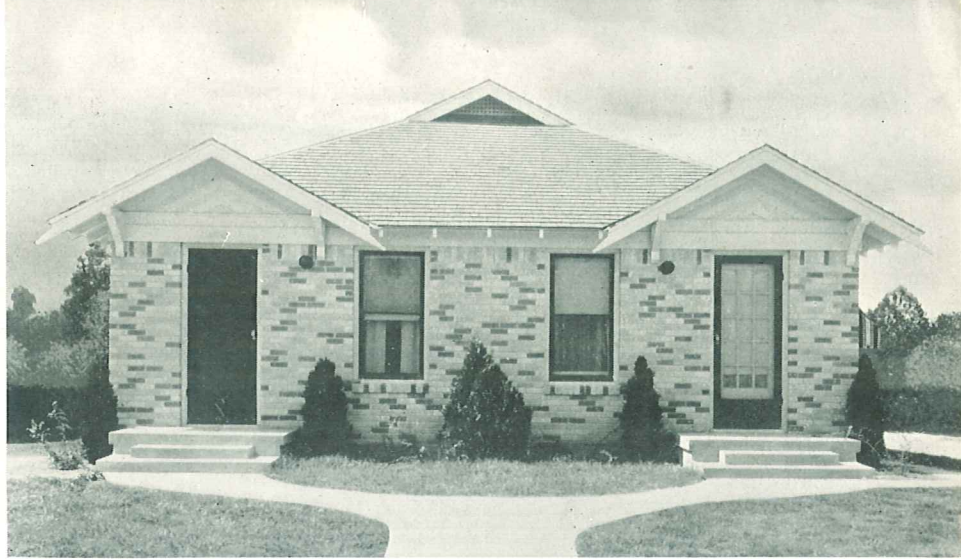

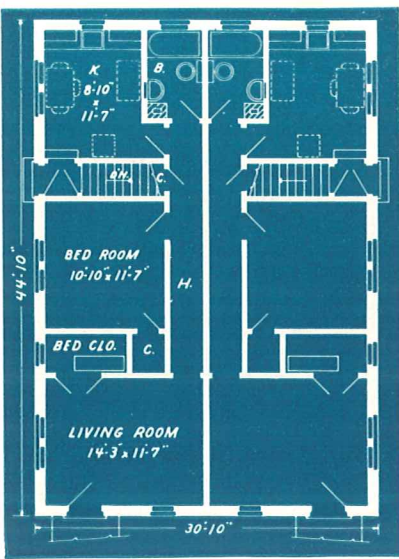

No. 519—This design shows a complete home on one side with a small one-story apartment attached. The construction is frame with wide siding on the exterior.

Complete plans as shown or reversed, specifications, lumber and mill list \$20.00

Duplicate sets with original order . . . Per set, 5.00

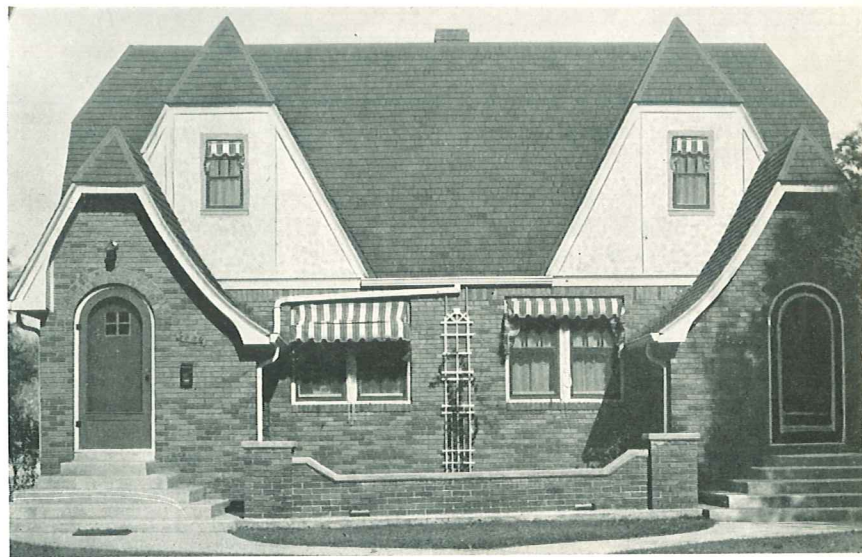

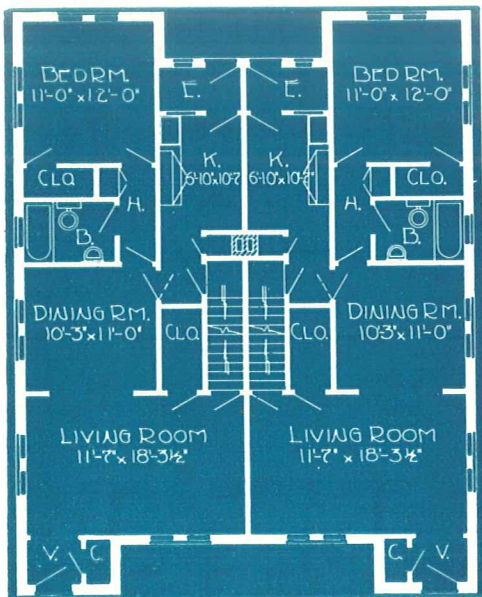

Secure complete plans from your dealer or
L. F. Garlinghouse Company, Topeka, Kansas.

No. 540—An excellent one-story small duplex, quite simple in lines and easily constructed. The exterior is of brick veneer. The floor plan shows three complete rooms, bath, closets and a bed closet, making five-room efficiency for each side.

Complete plans, specifications, lumber and mill list \$15.00
Duplicate sets with original order Per set, 5.00

No. 550—The exterior of this duplex is brick with stuccoed gables. The plan shows four complete rooms, bath and closets on each side. The large closets opening into the living rooms may be used for disappearing beds, thus giving each side five-room efficiency. The stairs going up from the living rooms and the high pitched roof make it possible to have a fine large room on the second floor for each apartment, if desired.

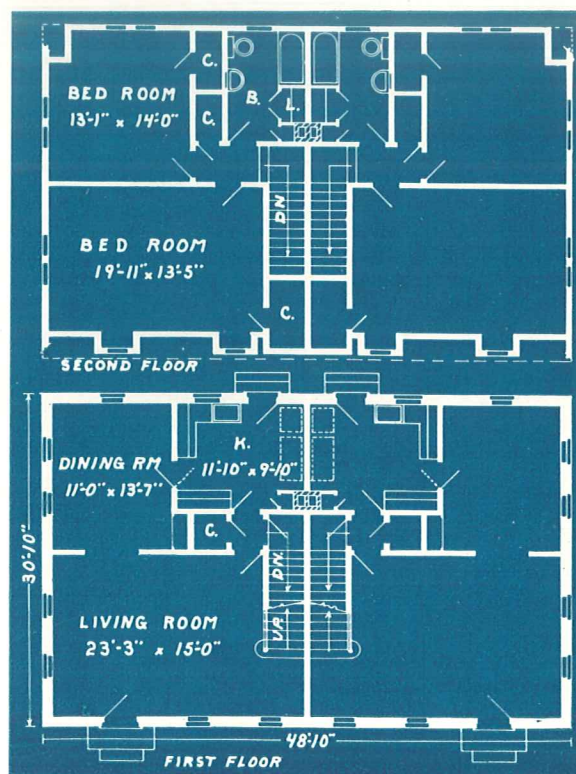

Complete plans, specifications, lumber and mill list \$17.50
Duplicate sets with original order Per set, 5.00

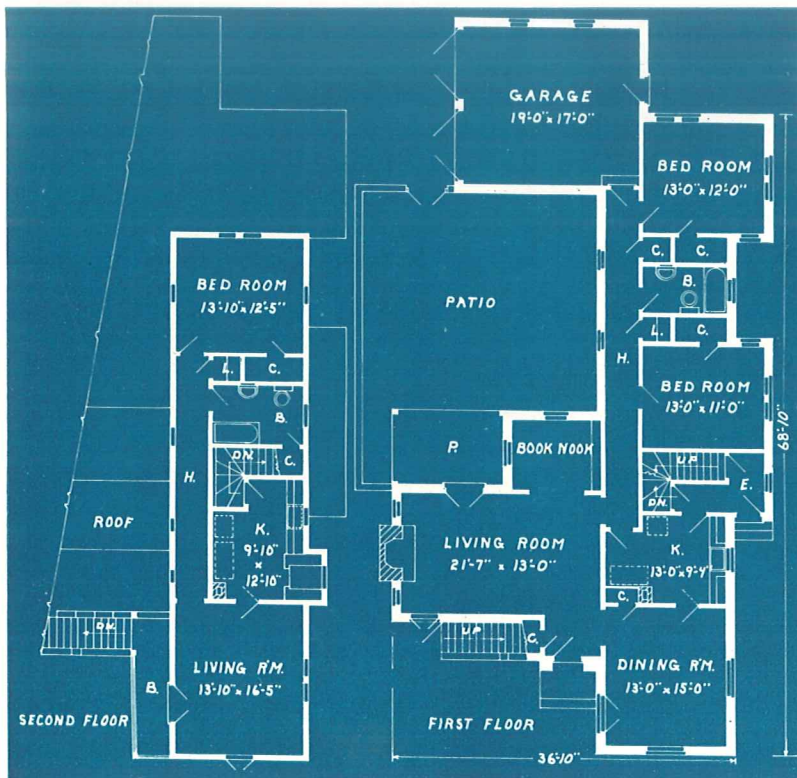

No. 750—The exterior construction of this very attractive duplex is painted brick veneer. The floor plans show five complete, well ventilated rooms on each side.

Complete plans, specifications, lumber and mill list \$20.00

Duplicate sets with original order Per set, 5.00

Secure complete plans from your dealer or L. F. Garlinghouse Company, Topeka, Kansas.

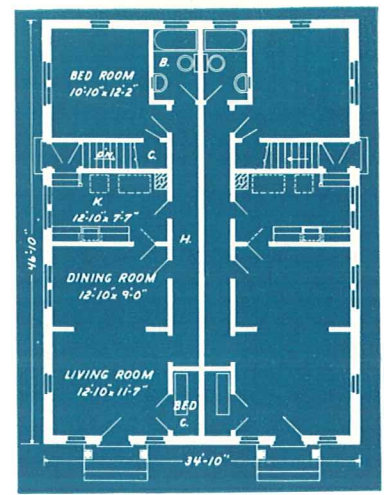

No. 870 — A very beautiful Spanish type duplex. The first floor shows a complete five-room cottage type arrangement, with attached garage and a large patio. The second floor apartment is reached by an outside stairs in front and consists of a large living room, kitchen, bed room, bath and closets.

Complete plans as shown or reversed, specifications, lumber and mill list . . \$20.00

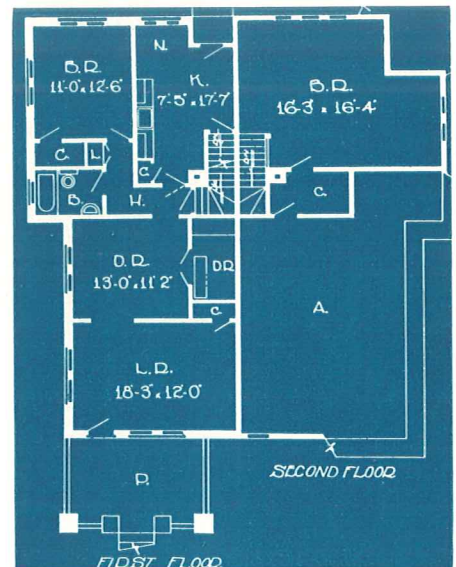

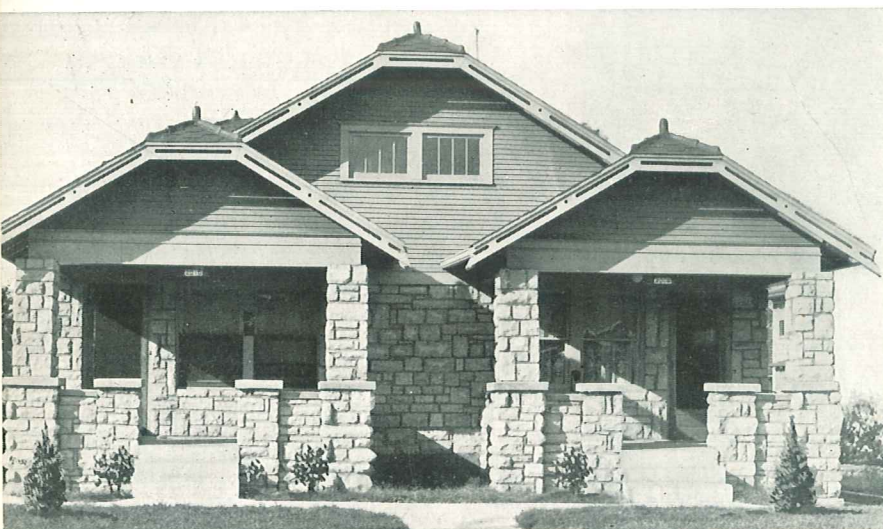

Duplicate sets with original order. Per set, 5.00

Secure complete plans from your dealer or L. F. Garlinghouse Company, Topeka, Kansas.

No. 970—An excellent cottage duplex with colonial type entrances. The exterior construction is brick veneer. The floor plan shows a living room with bed closet, dining room, kitchen, bed room, bath and closets, making five-room efficiency for each side. The complete plans show a full basement for each side.

Complete plans, specifications, lumber and mill list \$15.00
 Duplicate sets with original order Per set, 5.00

No. 1793—This is a very substantial and practical design for a duplex. There are four complete rooms, dressing room with disappearing bed and bath on the first floor, and a large room, closet and storage space on the second floor on each side.

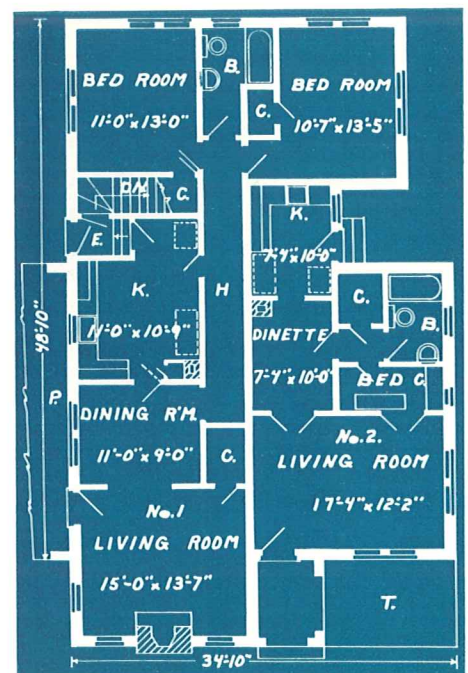

Complete plans, specifications, lumber and mill list \$17.50
 Duplicate sets with original order Per set, 5.00

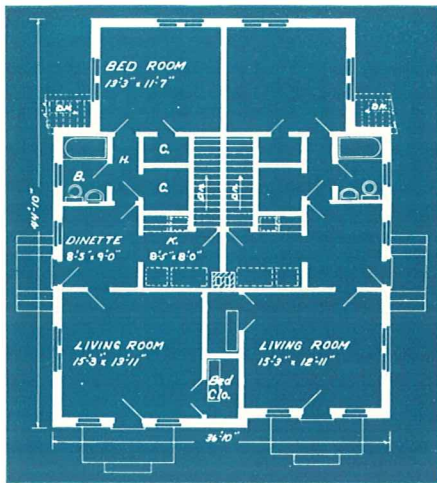

No. 1980—This very beautiful duplex has the appearance of a single residence. The plan shows five complete, well arranged rooms, bath and closets on one side, and the other side shows a living room with combination dressing room and bed closet, dinette, kitchen, bath and closet.

Complete plans as shown or reversed, specifications
lumber and mill list \$17.50
Duplicate sets with original order. Per set 5.00

Secure complete plans from your dealer or L. F. Garlinghouse
Company, Topeka, Kansas.

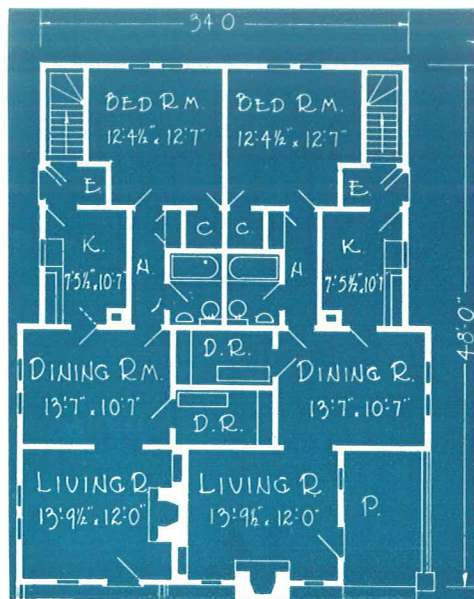

No. 2014—This is a very attractive duplex cottage with the exterior construction of brick veneer. The floor plan shows a large living room with bed closet, dinette, kitchenette, bed room, bath and large closet space, making five-room efficiency for each side.

Complete plans as shown or reversed, specifications, lumber and mill list \$15.00

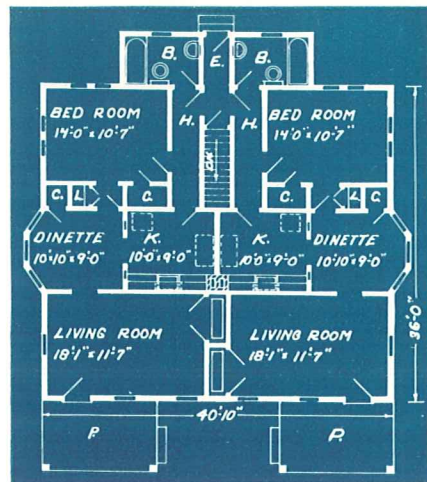

Duplicate sets with original order Per set, 5.00

No. 2040—This is a splendid duplex design with the appearance of a single residence. Each side of this duplex has four excellent rooms. Each dining room has a dressing room with disappearing bed and all of the rooms are compact and conveniently arranged.

Complete plans as shown or reversed, specifications, lumber and mill list \$17.50

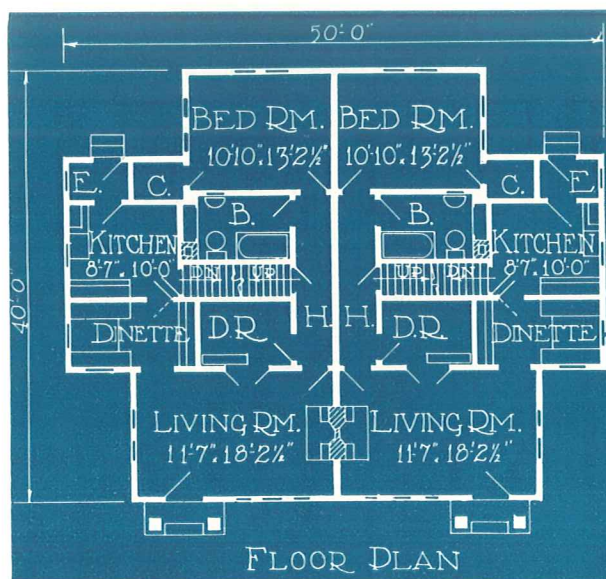

Duplicate sets with original order Per set, 5.00

No. 2045—This lovely little cottage duplex is frame with wide siding on the exterior. The floor plan shows a large living room with disappearing bed, dinette, kitchen, bed room, bath and closets for each side.

Complete plans, specifications, lumber and mill list \$15.00

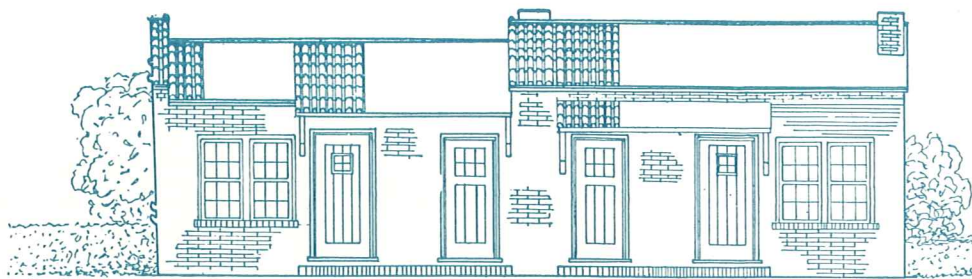

Duplicate sets with original order Per set, 5.00

No. 2050 — An exceptionally attractive little duplex bungalow. Each side with its dressing room and disappearing bed has the efficiency of five rooms. The basement and attic are easily accessible and are divided so that each side is entirely independent of the other.

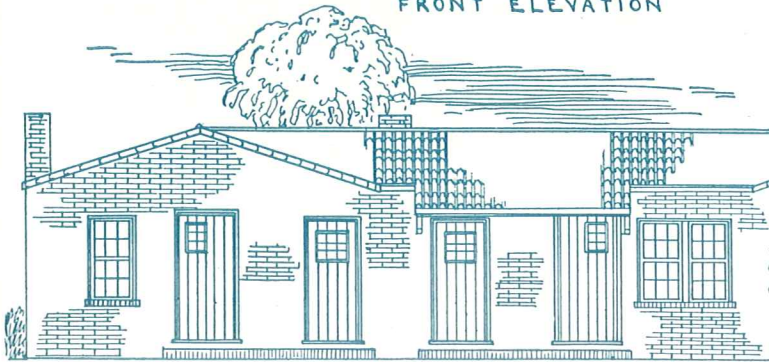

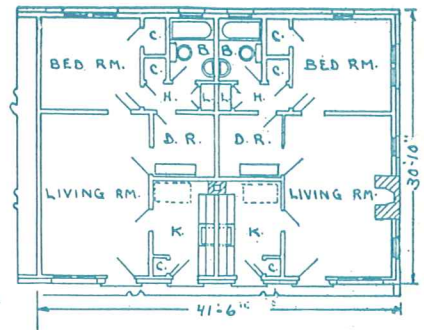

Complete plans, specifications, lumber and mill list \$17.50

Duplicate sets with original order Per set, 5.00
